Membership Application

As an IDSHK member you will be kept current on the latest information in the industrial design field and communicate closely with a community of enthusiastic, dedicated industrial designers. Your membership helps you share and enrich your professional knowledge and succeed in your career.

Notified by the Society, new member should pay entry fees and annual fees according to his/her membership category within 14 days to register his/her membership.

All members should pay required annual fees within 14 day being notified by the Society at year-end to renew their membership. Or else their membership will be disqualified at the beginning of the next year.
